DETAILED ACTION

Examiner's Amendment.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Cancels non-elected withdrawn claims 10-20, 22-26

Reason for allowance

2. Claims 1,3-7, and 9 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed **CROSS POINT RESISTIVE MEMORY ARRAY** having the limitations:

-- "a current control element coupled to the magnetic storage element to control current flow therethrough the current control element including a first region of material of a first t conductive type and a second region of material of a second conductive type and defining a junction therebetween, wherein the junction extends transversely to each

layers in the magnetic storage element; and wherein the first region of the current control element is in the form of a core and the second region is in the form of a circumferential layer formed on the core. wherein the first- and second regions form a pillar-structure wherein the pillar structure is disposed within the first conductor-line such that the first conductor line surrounds the sides of the pillar structure.”--

and all other limitations as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance”.
